## ACCEPTANCE OF VENDORS

Application opens at 8:00am on December 21, 2025 on our website:

[www.FruitlandGrange.org/vendorapplication](http://www.FruitlandGrange.org/vendorapplication) (direct link to application at bottom of this document)

Vendors will be accepted on a modified first-come, first-served basis:

- Returning vendors in good standing will have first priority\* (if application turned in by Dec 24, 2025) and then new vendors. **\*\*\*Returning Vendors: Please note that your priority placement window is shorter than in past sales.\*\*\***
- Applications turned in after Dec 24th will be accepted on a rolling basis as space allows with no preference given to returning vendors.

\*We like to have a variety of vendors, so we will try to keep to no more than 3-4 vendors of one particular thing/type (ex. Jewelry, cards, wax, etc); returning vendors may not get a spot if the item they sell is already at capacity.

Spaces are generally filled on a first-come, first-served basis; with returning vendors being placed first if their applications are received by Dec 24th, and we don't already have multiple of the same type of vendors.

There will be no more than 2 spaces available for Direct Sales.

In case of receiving more applications than available spaces, the decision of acceptance is solely up to the Fruitland Grange Bazaar Committee.

If you apply before Dec 24th, we will let you know whether you are accepted, not accepted, or waitlisted by Dec 28th. Applications turned in after Dec 24th will be processed on a rolling basis as space allows.

## PAYMENT

Payment is not due until after a vendor has been accepted. If accepted, we will send the vendor an email with instructions on how/when to remit payment. There are no refunds once payment has been received (unless the Fruitland Grange cancels the sale).

## VENDOR SPACES

Most of the spaces are 8' wide x 5' deep. Smaller spaces are 3' wide x 5' deep. Outdoor spaces are 10' x 10'. There are 6 larger (approx. 12.5' wide x 6.5' deep) in the center on the ground floor. There are 6 - 8' x 8' spaces upstairs in the middle.

Vendors can set up however they'd like in the space as long as they do not go past the border of their space (imagine that the edge goes all the way to the ceiling).

We have a limited number of tables vendors can use for free if it is requested on the registration form. The tables are 8' x 2.5' and are not available for the small spaces or the outdoor spaces.

Vendors' wares, displays, chairs, etc. absolutely must stay within their booth space.

Do not attach anything to the walls/ceilings/posts. Absolutely no tape, pins, staples, nails, putty or any other item that may leave residue or a hole.

Make sure you have a way out of your booth space without having to go through anyone else's space.

Outdoor spaces: Vendors may bring a 10' x 10', straight-leg canopy (or smaller). The canopy legs need to have weights holding them down so the canopy can't get picked up by the wind.

### **THE FRUITLAND GRANGE BUILDING**

The Grange is an old 2-story building.

### **There is no elevator.**

There are one and a half flights of wide stairs to get to the upstairs floor. This event will take place on both the ground floor (cement floor; regular height ceilings) and upstairs (wood floor; high ceilings).

The Grange has old wood floors upstairs and on the stairs. Items may not be drug across the floor or stairs and must be carried. Wheels are allowed upstairs, but may not be "bumped" up or down the stairs.

No food or drink other than water allowed upstairs.

### **LIABILITY**

By turning in this application, the vendor agrees that the Fruitland Grange is not liable for any loss, theft or injury incurred during the Sale or the set-up or tear-down of the Sale.
